THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI JANARDHAN POOJARI): (a) to (c) Reserve Bank of India has not issued any directive to the public sector banks in regard to the schedule of charges levied by them for the various services rendered by them to custmors. However all the public sector banks have adopted one revised schedule of service charges on the lines adopted by the State Bank of India.

The revision in the service charges was considered necessary by banks to enable them to recover to some extent the cost of rendering these services to customers. The revised schedule based on the finding of the studies has been undertaken by the Indian Banks' Association (IBA).

Prior to the decision of the banks to adopt uniform schedule of service charges, these varied from bank to bank.
